

PPA Environment Committee Meeting Minutes
Tuesday, May 10, 2022
6:30-8:00 pm

Present: Mary Britton, Jane Stockman, Lydia MErnerney, Kathleen Davis, Jenny Michlitsch

The primary focus of the meeting was planning the Eco Tour taking place on Saturday, June 18th and the Yard and Trunk Sale, Saturday and Sunday, June 18th and 19th.

Jenny is the event organizer for the sales. Jenny reported that she has reserved the Pratt parking lot for the trunk sale. The registration fee for the sale is \$8. At this point, there are 6 people signed up. Jenny will do most of the advertising for the event beginning two weeks before the sale. Jenny will use the PPE list, Next Door, Instagram and the PPA Facebook page. Mary will post to Next Door and Liza from PPA will post on Facebook and Instagram. Maps of the sale locations will be at all the yard sales. Jenny and Lydia decided to have a map of the garage sales on one side and the eco tour sites on the other. Jenny has a map template and Lydia will send the information about the Eco Tour to Jenny who will prepare the maps. The deadline for signing up for the sale is going to be either June 13th or 14th.

Lydia is in charge of the Eco Tour. At this point, she has 8 participants and two people considering it. Lydia noted she will need tables for the Eco Tour and for MNCEE folks. Lydia says PPA and SES have tables that can be used. Also needed is a large sign that says "Eco Tour/ Garage Sale Information Here. Signs that say "next Saturday is garden sale" will need to be modified to say Eco Tour and Yard Sale. Jenny will have a working party on May 25th to complete some of the tasks.

The rain gardens will be part of the Eco Tour. Mary will confirm with Glendale and the Church that they will be on the tour. She will set up a

table at each of the sites with water and seed giveaways to the first 20 people who show up. Next meeting will be June 14th.
